Terminal Blocks 7

Table of contents, section 1 9
Standard screw clamp 31
Power distribution 88
Switch and test 98
Fuse holder 133
Spring connection 177
Insulation displacement, ADO 217
Power 281
Miniature DIN 2 301
Corrosive environment 337
Explosive atmosphere 339
Thermocouple 350
Wire lug 351
Accessories & marking 1891

Printed Circuit Board Terminals & Connectors ... 369

Table of contents, section 2 371
Terminal blocks 389
Connectors 443
Power connectors 514
Edge connectors 522
DIN 41612 connectors 526
Barrier strip terminal blocks 537
Circuit breaker 546
Rotary switches 547
Empty blocks, PCB holders 555
Accessories & marking 575

Circuit Breakers 587

Table of contents, section 3 589
Thermal-magnetic, thermal 590
Subminiature PCB 609

Surge Protection 612

Table of contents, section 3 589
Lightning arresters 612
Circuit 622
Data line 625

Power Supplies 637

Timers, Flashers 1231

Table of contents, section 7 1233
Multifunction timers 1245
Programmable timers 1261
Single function timers 1279
Flashers 1387
HVAC/R timers 1409
Vending controls 1417
Accessories 1423

Monitors 1437

Table of contents, section 8 1439
Voltage/phase 1442
Thermistor motor protection 1468
Current 1484
Accessories 1476, 1496

PLCs & Remote I/Os 1499

Table of contents, section 9 1501
Bus modules 1506
logotron® programmable logic relays 1521
Micro PLCs 1530
I/O modules 1546
Remote I/Os, systron® RIO 1571
